December 2009

Message from the Board: We would like to introduce ourselves. Mike Brinks is President, Peggy Ober is Vice President and Colleen Fernandes is Secretary-Treasurer. Our goals are many but mostly to follow the Mission Statement, Values and Vision adopted this year. We will do this with adherence to the Bylaws, CCR's, keeping transparency, and setting up committees such as Community Relations in an effort to get homeowners involved with a sense of camaraderie.

First of all we would like to thank those steadfast leaders who have given so much of themselves throughout the years. Janice Trainer and Wilbur Beamer have retired their services from the Architectural Control Committee.

Secondly, we would like to thank Sue Yoquelet and Kelli Burgess for their service on the Board these past two years. Their commitment to serve this HOA is an example to all of us to participate.

Thirdly, we also would like to thank those neighbors who came and participated at our Annual Meeting December 8th. It was a great time to be together.

COMMITTEES

We are setting up committees for your participation. They are as follows: Community Relations, Landscape, Strategic Planning, and Compliance. Existing Committees are Finance, ACC and Nominating. Again, your participation is welcomed. Internal Committees will be Executive and Board Development. Membership to a committee must be Board appointed. We particularly need ACC members at this time.

Holiday FYI: Holiday lighting may go up 30 days before the holiday and must come down 14 days after the holiday.

Board Meetings are the 4th Tuesday of each month.

Contact us at catdirectors@gmail.com for any comments or concerns.

Happy Holidays and a Happy New Year!
