January 2009

Message from the Board: We are on to a new year with a new board..

COMMITTEES

Are you willing to help? Please join any one or more of the following: Community Relations, Landscape, Strategic Planning, Compliance, Finance, ACC and Nominating. Again, your participation is welcomed. Membership to a committee must be Board appointed. We particularly need ACC members at this time. If you are interested in more information please send us an email to catdirectors@gmail.com)

AROUND THE YARD

Time to rake, vacuum, or blow leaves so they don't end up in your neighbor's yard. Christmas lights should be down by now. All dead weeds should be pulled. Spring is just around the corner.

AROUND THE NEIGHBORHOOD

Also, a reminder regarding parking on the street by homeowners. Article IV, Section 1 U, as amended 8/25/2004 states; "Vehicles of Owners and Residents are to be kept in garages or residential driveways of the Owner. Temporary parking for guests, invitees and vendors is allowed on the streets, as long as it does not obstruct any sidewalk and does not exceed a 24-hour period." Keeping streets clear for emergency access is important for us all..
