CONTINUING PROJECTS:

- **Lot 5** – Repaint house
 - Received 29 October 2025. The application only called out painting the house with an approved color, didn't indicate whether the trim was to be repainted and if so, what color. Note that the standards do not permit the house and the trim to be the same color. Update received 20 November 2025. Requested to repaint house with Dunn Edwards DEC738 and trim with Dunn Edwards DE6139. Approved through 1 February 2026. Per homeowner e-mail, work has not begun yet. Extended through 1 March 2026. Awaiting confirmation from the homeowner that the work is complete, no action taken.
- **Lot 10** – Garage Extension
 - Received 7 November 2025. Approved through 1 June 2026 with two conditions; 1) homeowner is responsible for all county permits and inspections 2) the homeowner needs to contact management company when framing is complete so the ACC may conduct an intermediate inspection (required by Arizona statute for major projects). No action taken.
- **Lot 28** – Roof Repairs
 - Received 9 January 2026. Work is to repair leaks from last summer's monsoon and includes removal/ reinstall of solar panels. Work was already started before application was submitted. Homeowner has already been provided the Standard Conditions. Homeowner estimates completion in February. Awaiting confirmation from the homeowner that the work is complete, no action taken.
- **Lot 43** – Solar Installation
 - Application received 10 December 2024. Work was completed without prior approval, approximately October 2022. Per discussion with the homeowner at this meeting, she had been unaware of the need for HOA approval before she did the work two years ago. Homeowner is working with the contractor to develop a revised layout for our review. No action taken.
- **Lot 77** – Repaint Fascia Boards
 - Latest version received 3 November 2025. Roof repairs and repair/ replace/ repaint some fascia boards using Dunn Edwards 6139 following compliance letter. Approved through 1 February 2026. No action taken.
- **Lot 80** – Paint Fascia.
 - Received 2 December 2025. Repainting fascia in response to compliance letter. Application says they're repainting with the original color, but calls that color French Cream. Dunn Edwards doesn't have a color, approved or otherwise, with that name. PPG Paints offers a French Cream, Behr

(Home Depot) has a French Crème. Approved through 1 March 26 with the condition that the paint be color matched to the current paint OR a new color must be submitted to the ACC for approval. No action taken.

- **Lot 105** – Widen Driveway.
 - Received 30 January 2026. Project is to widen the drive by adding 9' on the eastern edge, then add a walkway from the new slab to the back gate. Initial approval granted through 1 April 2026 with the condition that the new sections of slab must be poured concrete not pavers. No action taken.
- **Lot 107** – Extend Garage
